

2010 EDUCATIONAL Gymnastics

At Waverley Gymnastics Centre, educational gymnastics is all about learning gymnastics skills in a fun environment for school aged children.

Some experts say that the greatest benefits of gymnastics training for children are physical: the amazing power, the unparalleled balance, and injury preventing agility and grace. Other experts say that the benefits are to the mind: the perseverance, the poise, the confidence, the attention to detail, the concentration. Which is right? Our experts know. The answer is, without a doubt, both.

Class times are set according to ages then all the groups running concurrently are graded into levels according to abilities.
